Further Study

This qualification is the perfect foundation for a career as a Beauty Therapist or for further study.

Length of course

This NVQ Diploma can be studied as a full time intensive course over one year, or full time over 2 years, it can also be completed part time by completing each unit separately.

The academic year is made up of three terms of 8 weeks, with an 8 week break between each term. Students are required to attend for 2 full days (16 hours) per week, and attend for final assessments after the third 8 week break.

Full time students intending to complete the course in one academic year will be expected to continue studying (at home or our centre) during their 8 week breaks. Students completing the course over 2 years will have more class time to finish their case studies, and hence will have less study to do during their 8 week breaks.
